**Data Centers, Policy & Tradeoffs**

A Policy Workshop for Eastern Legislators

## JANUARY 22-24, 2027

SOFITEL HOTEL - PHILADELPHIA, PA

Are your constituents asking how your state will handle data center growth? Join legislators from across the East for a free, bipartisan workshop exploring the policy challenges and opportunities of data center growth, including:

- Demystifying how data centers work
- Understanding energy, water, and economic tradeoffs
- Comparing state action

Travel scholarships will be available. | Formal invitations and registration to follow.
